To the artists of Shen Yun Performing Arts:

Welcome to Sacramento!

I am very excited that you have chosen to return to Northern California. I would like to congratulate you on your 10th anniversary year!

For 10 years, Shen Yun Performing Arts has been committed to showcasing China's history of beautiful music and elegant dancing, along with educating communities across the world about their cultural history. By bringing your performances to Northern California, you will be sharing China's 5,000 year old artistic history and enriching the minds of the public. For that, you should be extremely proud.

Thank you for all you do to educate us on the captivating history of China and its arts. Good luck and I look forward to your performance.

Sincerely,

A handwritten signature in blue ink that reads "James Gallagher".
