Dear Friends,

As the Assemblymember for California's Seventh Assembly District, it is a great honor for me to offer my recognition and support to Shen Yun Performing Arts and their 2016 tour including many cities in our great state of California. These performances are an excellent example of the opportunities our residents have in sharing their diverse heritages and learning from one another.

I would particularly like to thank the artists, leaders, volunteers, and partners of Shen Yun Performing Arts who have worked hard to organize this event each year for the past ten years – without your efforts, these breath-taking performances would not be possible.

California is known as one of the most ethnically diverse states in the nation, and the Chinese community makes up a rich part of our diversity. Thanks to cultural celebrations like this, the Chinese community is thriving here in the Sacramento region and across the state.

Thank you again to Shen Yun Performing Arts for keeping the Culture of China alive and sharing it with our communities. Here's to many more years of successful performances! Enjoy!

Sincerely,

A handwritten signature in black ink that reads "Kevin McCarty".
