Dear Shen Yun Performing Arts:

Congratulations on your 10th anniversary. Shen Yun Performing Arts celebrates Chinese cultural traditions and helps bring our community together with all generations enjoying the various music, dance, and martial arts.

Based in New York, ten years ago Shen Yun Performing Arts premiered its classical Chinese dance and music company. Its mission is to revive the spirit of five millennia of Chinese civilization and create a bridge of dialogue between the East and West. Through the universal language of music and dance, Shen Yun weaves a spectacular tapestry of heavenly realms, ancient legends, and modern heroic tales. Audience members are transported to a world of beauty, purity, and courage.

Shen Yun has developed into a household name around the world over and has performed in many of the most prestigious theaters in the world, inspired the hearts of millions, and won praise from numerous top artists and critics.

On behalf of the California Legislature, thank you for fostering positive images and providing an appreciation of Chinese traditions. I wish Shen Yun Performing Arts the best for the continual success. Let us work collectively for culture preservation and the wellbeing of all humanity.

Best Regards,
