Dear Friends,

Congratulations to Shen Yun Performing Arts for 10 years of bringing classical Chinese dance and music to our community.

Thank you for your dedication to creating dialogue between the East and West through the universal language of music and dance. I commend you for your devotion to reviving the essence of five millennia of Chinese civilization through a creative retelling of ancient legends and modern heroic tales. Thank you for your valuable contribution to the celebration of the cultural diversity of Alameda County and the entire San Francisco Bay Area.

I extend my best wishes to Shen Yun Performing Arts as you celebrate a decade as the premier classical Chinese dance and music company, and may you have many more years of performing ahead of you.

Sincerely,

Wilma Chan
